Preassembled ovens

The market leader in preassembled and DIY pizza ovens

We have a large range of preassembled pizza ovens. All our preassembled ovens come with a stand and some have the option of a granite bench. For oven dimensions and full details of our full range including product specifications please visit our website.

JA 60 & JA 70 Dome without granite bench

BA 60 & BA 70 Brick arch with (or without) granite Bench

JA 60 & JA 70 Dome with granite bench

JA 70 (RB) Real Brick with (or without) granite bench

JA 70 Black fibreglass with (or without) granite bench

Jalando Montague

Wheels can be added to stands, so you can easily wheel it into place!

Preassembled ovens

More than just a pizza oven!

You can cook anything from pizzas (in less than two minutes) to breads to meats to seafood to vegetables to desserts. Fast light up and ready for cooking in 40 - 60 minutes!

Jaland Classic with stand
(wheels included)

JA 90, JA 100 & JA 110 with stand
(wheels included)

JA 90 - Fully tiled with stand
(wheels included)

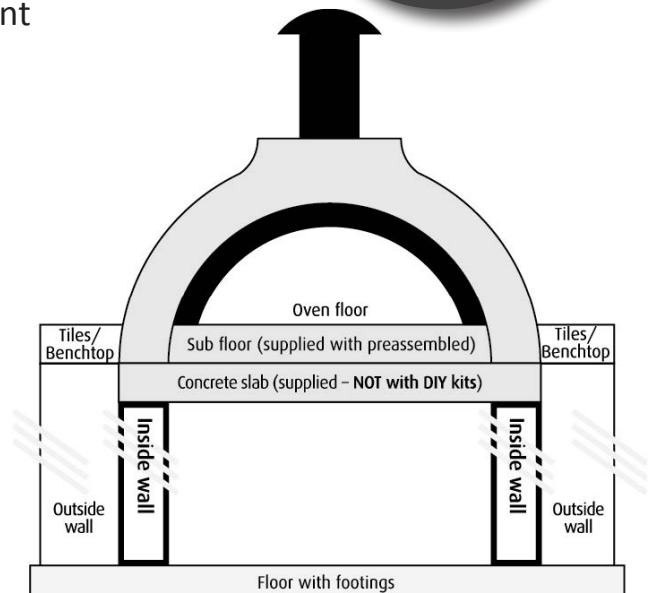

- No cleaning or maintenance required
- "Child Safe" cool to touch on the outside even with inside temperature reaching 400 - 450C
- Super efficient and doubles as a heat source on the colder evenings
- Residual heat allows you to slow cook and bake fresh bread
- Uses very little fire wood
- Can be further personalised with mosaics, tiles or paint
- Established brand and market leader

All preassembled ovens come with:

- Fully made on a reinforced concrete slab
- (see diagram)
- Oven is packed in a metal frame that can be converted to a base for temporary use or clad and rendered to match your environment.
- 900mm flue with china hat
- Black metal door
- Stainless steel handle alloy pizza paddle

We can assemble at an additional fee.
