

WELCOME TO THE WORLD OF ALFRESCO COOKING!

Nothing beats the flavour, texture and the artisan experience of cooking in a wood-fired oven.

Jalando Pizza ovens is a family owned and operated business that was established in 2012. At Jalando Pizza Ovens we use generation's of experience combined with innovative design and high quality materials to build the best wood-fired ovens on the market.

OUR ALPHA RANGE

FEATURES

- Easy to move and easy to use.
- The distinctive design features stainless-steel parts and powder coated ones that withstand very high temperatures.
- The stainless-steel dome enables it to reach high temperatures with low firewood consumption.
- The oven floor is composed of 3 cm (1,2 in) thick interchangeable firebricks that store heat and transmit it to food during cooking.
- The ceramic fibre insulation maintains the heat for a long time.
- The pyrometer measures the temperature of the cooking chamber.
