ZiiPa

— LE GOÛT DE L'EXTÉRIEUR —

The U-shaped burner gives a perfectly even heat distribution

Rotation and dual burner.

Made of quality aluminium & steel materials

Fast heat up in only 15 minutes
*Tested at 20° C (68° F) ambient temperature - no wind.

Large working space. Easily handles pizza up to size 40.5 cm (16")

With the Booster Burner, there's no more waiting for the stone to reheat. It's ready when you are.

Foldable aluminium legs with rubber bottoms

Gas Pizza Oven Range and Accessories

A compact, innovative and colorful pizza oven, ideal for making delicious homemade pizzas!

With better temperature control and ease of use, the ZiiPa Piana Gas pizza oven is just what you need.

Connect it to a gas cylinder (propane), switch it on and control the temperature for pizzas cooked in 90 seconds! It has a refractory stone which rotates, so you can bake your pizza to perfection without taking it out of the oven.

Available in Charbon, Eucalyptus colours.
Materials: Stainless Steel, Steel, ABS, Silicone
Pizza Stone Material: Refractory Cordierite - 0.8 cm thick
